Knowing Costa Rica in this way is a luxury. Thanks to Pao, our local guide, and Bella Aventura, everything went perfectly. We let ourselves be advised, and she was the one who organized our trip both in hotels and activities. Small and charming hotels. The organization is a 10 out of 10. Thanks from Spain.

We booked 14 days vacation with Bella Aventura and are thrilled. Veronika and her team gave us a great holiday. The support was very personal and always available. The trip was planned and pre-booked according to our ideas. We didn't have to worry about anything anymore. The smartphone app is perfect, the suggested hotels were great and all very individual. The tours were balanced. We would book again at any time with Bella Aventura.
